

IFC SHORTCAST

November, 2016

Dear Members,

As the weather turns chilly up north we welcome back our members to the sunny days and cool nights in Islamorada.

I would like to take this time to remind everyone that we strongly Recommend that all members make your dining room reservations 24 to 48 hours in advance, and to notify the club promptly of any cancellations or changes to your reservation.

Reservations will be gratefully accepted at the last minute, subject to availability. We also encourage members to reserve your cut for our "Prime Rib Night" every Saturday.

It is especially important when making reservations for your guests /potential members to phone in their reservation, inform the club of your guests first and last names and if they will be paying or signing to your account. This will insure proper credit towards your minimums.

Please Be sure to have your name placard on your car dashboard & pull all the way forward while parking.

Sincerely,
Vinnie
