

IFC SHORT CAST

October, 2016

Dear Members,

After getting all systems up and running as it applies to our extended closure, I am happy to say that the club is finally opened and our sewer connection complete. I would like to extend a warm welcome back and a big thank you to all our members for their patience. I also want to thank Board members Tom Bray & Kenny Gentes for their assistance with the sewer project.

As we are anxiously awaiting the return of all the snowbirds, I would like to take this time to remind everyone that we strongly encourage members to **make your dining room reservations well in advance**, and to notify the club promptly of any cancellations or changes to your reservation.

The Holiday Season will soon be upon us... Start Planning your Holiday Parties early to secure availability at the club.

Sincerely,

Vinnie

Notice to all members.

The Islamorada Fishing Club Board of Directors has established a new dues schedule effective October 1, 2016.

After a number of long discussions and a thorough examination of all finances, it was decided this was in the best interest of the IFC. We have been without an increase in dues for close to ten years, but the costs of our operations have continued to climb. The new rates reflect what was determined to be the minimum increase necessary to maintain a solid financial footing. This also includes the reinstatement of an initiation fee for new memberships.

Thank you for your continued support.

Have a good summer.

The IFC Board of Directors

Dear Members,

As most of you know by now, my son Vincent was diagnosed with high functioning autism at the age of 3.

Vincent has been the recipient of a scholarship from Island Dolphin Care in Key Largo the past 7 years.

The Island Dolphin Care scholarship has provided classroom therapy and supervised dolphin swims for 1 week every afternoon for Vincent, now 14 years old. His response to this program is always incredible and very uplifting!!!

They are a wonderful not for profit organization run by Deena & Peter Hoagland and an incredibly dedicated staff of therapists, dolphin trainers and interns.

On November 19th they are holding their annual fundraiser dinner/auction to raise funds to assist children & families with special needs, and Veterans & Military personnel.

Your participation would mean a great deal to Vincent, Mia and I. If you would like more information feel free to contact me.

Sincerely,

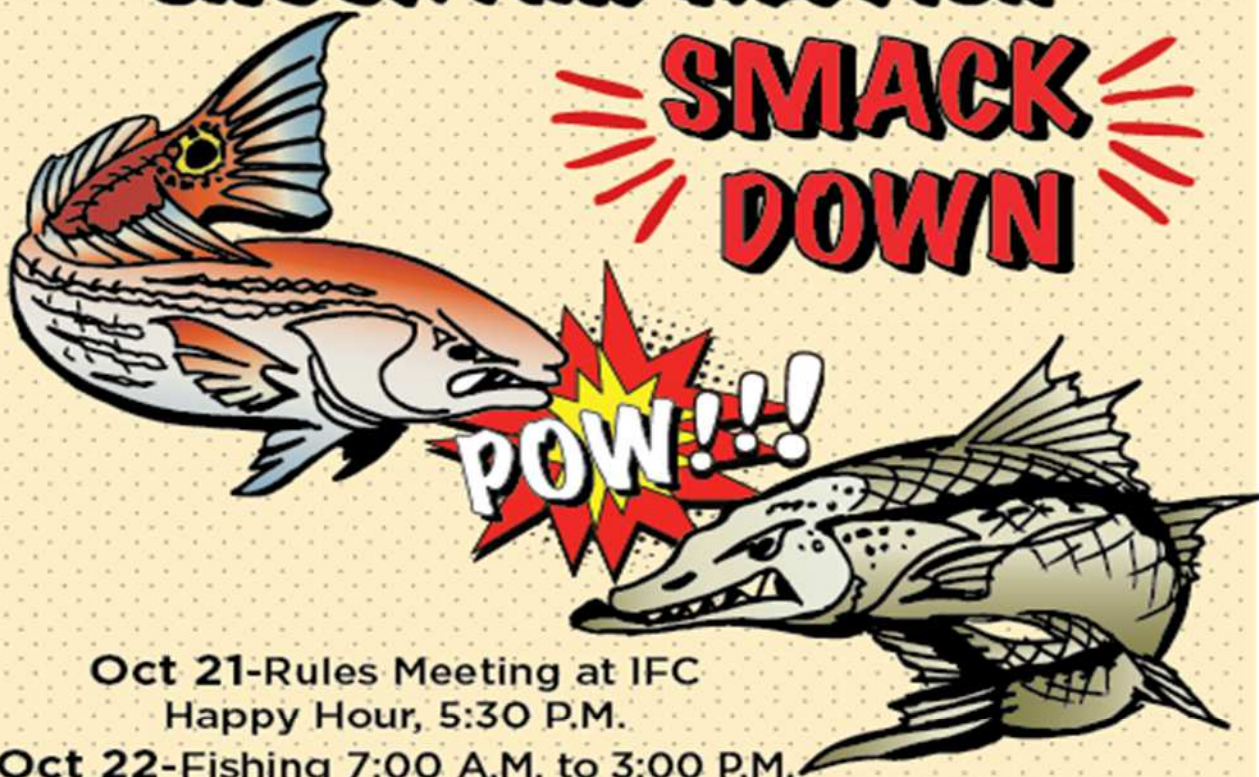

Vinnie

Breast Cancer Awareness Month (BCAM) (also referred to as National Breast Cancer Awareness Month (NBCAM)) is an annual International health campaign organized by major breast cancer charities every October to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment and cure. The campaign also offers information and support to those affected by breast cancer. As well as providing a platform for breast cancer charities to raise awareness of their work and of the disease, BCAM is also a prime opportunity to remind women to be breast aware for earlier detection.
