*Dear Members:*

*September 17th is fast approaching for our annual closing for general Maintenance and Capital Improvements.*

*Our last dinner service will be Saturday September 16th and we will reopen Tuesday October 10th.*

*The last few years we were very busy with interior, exterior and overall club improvements. We will be doing some Minor repairs, cleaning and organizing this year.*

Dear IFC Members

Due to pending storm “Irma” and the mandatory evacuation, the club will be closed till further notice.

We hope all of you have secured your properties and have moved to a safe location.

We look forward to seeing everyone when we reopen.

Notice to all members.

The Islamorada Fishing Club Board of Directors has established a new dues schedule effective October 1, 2016.

After a number of long discussions and a thorough examination of all finances, it was decided this was in the best interest of the IFC. We have been without an increase in dues for close to ten years, but the costs of our operations have continued to climb. The new rates reflect what was determined to be the minimum increase necessary to maintain a solid financial footing. This also includes the reinstatement of an initiation fee for new memberships. Thank you for your continued support.

Have a good summer.
