

IFC SHORT CAST

October, 2018

Dear Members,

The club is re-opened, and we are anxiously awaiting the return of all the snowbirds.

I would like to take this time to remind everyone that we strongly encourage members to **make your dining room reservations 24-48 hours in advance**, and to notify the club promptly of any cancellations or changes to your reservation.

The Holiday Season will soon be upon us Start Planning your Holiday Parties early to secure availability at the club.

Please be sure to place your name placard in the windshield and pull all the way forward-when visiting the club . This will make it a lot easier to get a car moved. If you need a Placard, please ask, we have a lot!!!

Sincerely,

Vinnie

A NOTE FROM IFC PRESIDENT

Good Afternoon Fishing Club Members,

Although it may not be seen from the member areas of the club, Vinnie and his staff were busy with some much needed improvements to the back of the house during our 2 week closure.

Some of the things that were done include;

2 new refrigeration units in the kitchen and 1 having a new compressor replaced

A hand sink in the wait staff service area

Closet remodeling & Organizing, which included relocating and completely replacing our soda systems, as well as adding an additional soda dispensing system.

Our annual removal of the kitchen equipment for deep cleaning

Painting the bar floor and back hallway floor

Miscellaneous Painting in the kitchen

A new portable AC unit was installed in the back hallway by Board Member Roger Young to eliminate the heat exhausted from the ice machine, which will keep the equipment running more efficiently

With the assistance from Board member Ken Gentes, Green Buttonwood Hedges were planted on both sides of our lot where our fence was destroyed from Irma.

Carpet and floors steam cleaned

Both dining room AC units serviced

All of these items help to keep our operation running smoothly and help give our employees a better and more efficient working environment.

Thank you Vinnie & Staff for your continued dedication and hard work.

For the IFC Board of Directors

IFC President

Joe Roth III

Effective October 2016

Friday October 26th

Breast Cancer Awareness Month (BCAM) (also referred to as National Breast Cancer Awareness Month (NBCAM)) is an annual International health campaign organized by major breast cancer charities every October to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment and cure. The campaign also offers information and support to those affected by breast cancer. As well as providing a platform for breast cancer charities to raise awareness of their work and of the disease, BCAM is also a prime opportunity to remind women to be breast aware for earlier detection.
