

# IFC SHORT CAST

October, 2019

Dear Members,

The club is re-opened, and we are anxiously awaiting the return of all the snowbirds.

I would like to take this time to remind everyone that we strongly encourage members to **make your dining room reservations 24-48 hours in advance**, and to notify the club promptly of any cancellations or changes to your reservation.

The Holiday Season will soon be upon us Start Planning your Holiday Parties early to secure availability at the club.

Please be sure to place your name placard in the windshield and pull all the way forward-when visiting the club . This will make it a lot easier to get a car moved. If you need a Placard, please ask, we have a lot!!!

Sincerely,

Vinnie

Breast Cancer Awareness Month (BCAM) (also referred to as National Breast Cancer Awareness Month (NBCAM)) is an annual International health campaign organized by major breast cancer charities every October to increase awareness of the disease and to raise funds for research into its cause, prevention, diagnosis, treatment and cure. The campaign also offers information and support to those affected by breast cancer. As well as providing a platform for breast cancer charities to raise awareness of their work and of the disease, BCAM is also a prime opportunity to remind women to be breast aware for earlier detection.
