

IFC ShortCast

Dear Members,

As promised we have implemented our action plan to finally resolve our acoustics in the main dining room. The product has been ordered and we anxiously await its arrival from Italy.

So far this summer has been positive and our hope is the trend continues through the remaining months.

With the “Dog Days of Summer” upon us, We ask, **that you try to make reservations for the Main Dining Room in advance when possible, or at a minimum of 24 to 48 hours in advance.** This helps us control staffing requirements more accurately. We will gratefully accept last minute reservations with time and space availability being considered. No Reservations are required for dining on the 3rd level “Grand Slam Bar”

New Furniture has arrived and placed, historic photos are being re-digitized and framed and will soon be hung in the first floor main Lobby. The retail section is in progress as well and we hope to have it built and stocked for the holidays.

Sincerely,

Vinnie

Dear Members,

I wanted to inform all members as stated in prior emails that the Food & Beverage Minimums have been re-instated effective January 1st 2026 .

What does this mean for you? If your membership dues are renewed November 1st, you will be automatically billed for any unspent minimums from “your” prior membership year. As in the past, your minimums are equal to your dues and you have 1 full year (your membership Year) to meet your minimums, this is not a monthly requirement.

The next page in this short-cast has a sample statement.

In the bottom left corner you will see;

- ♦ **Minimum Billing Period Nov1/24—Oct 31/25** This represents “your” membership year when your dues automatically renew & reset your minimums
- ♦ **Unspent Minimum 297.95** This is what you have left to spend on food & beverage only before the end of your membership year.

In this example GM Vincent must spend \$297.95 on food & beverage only, by October 31st 2025 **or that amount will be automatically charged** on November 1st 2025 billing cycle.

- ♦ **Please keep in mind that this amount is for Food & Beverage only. Tax, service/gratuity or merchandise do not count towards your Food & Beverage minimums.**
- ♦ **As a reminder, the monthly billing cycle is done twice a month, on or about the 1st & 15th of each month.**
- ♦ **Charges on the 1st are all charges from the 15th of the prior month to the end of the month plus all membership dues & minimums owed.**
- ♦ **Charges on the 15th are for all charges from the 1st of the current month to the 15th.**
- ♦ **Please do not hesitate to contact me if you have any questions.**

Dear Members,

Attendance is way up at our new facility and it is directly attributed to the atmosphere, the quality of our food and the exceptional team that we have. We are extremely pleased with the outpouring of support and usage of the club.

Having said that, please keep in mind that we are a private, membership-driven club that does have some requirements and house rules we need to recognize and follow. I would like to just reiterate our club dress code for those who may be uncertain of the club expectations.

- ♦ All members and guests shall dress in an appropriate manner at all times while on the club premises.
- ♦ Shoes, pants, shorts, shirts and cover ups shall be required at all times in the club.
- ♦ Athletic shorts, tight work out type leggings, tank tops, crop tops or similar are **not** appropriate attire for the dining room.
- ♦ Baseball caps, or other types of hats are **not** to be worn in the dining room during dinner hours unless the dress code is relaxed for a special event or occasion such as a party or costume party.
- ♦ Suggested attire for the dining room in the evenings would include slacks, dresses, collared shirts, denim that is not tattered or worn, dress shorts with a collared shirt.
- ♦ Unless otherwise noted for a specific event or party, coats and/or ties are **not required** but are always welcomed.

For the most part, the above dress code is rarely abused but I have been noticing more baseball caps in the dining room during evening seatings. Hopefully, by bringing this up we can curb that trend and encourage everyone to do their part to make all of our experiences special at the incredibly special place we now have.

Thank you in advance for your attention to this and I look forward to seeing you at IFC!

Sincerely,

Joe Roth, President

On behalf of the Board of Directors
