

# IFC SHORTCAST

November, 2024

*Dear Members,*

*Welcome Home Snowbirds!!!!*

*Construction is moving along on our new club house. We had a issue with the roof trusses and the mechanical pit, but that is behind us now. The windows and doors have arrived at the installers warehouse and are going to be installed after the roof is on. We should be dried in this month*

*The entire second floor is framed in, plumbers and electricians are doing their work & the A/C ducts are being installed as well.*

*I am hoping to see more of everyone this season as we missed a lot of you last season. Stop by for dinner, have a drink and an appetizer at the bar, just come and say hello.*

*Our Lifetime membership Category is still available for those who wish to continue their legacy and pass down the traditions & History of our great club to their Children or Grand Children.*

**Sincerely,**

**Vinnie**
