

IFC ShortCast

Dear Members,

Thank you to all equity members who voted in this past election. Our current board members have been re-elected and they will continue to do a great job for the club.

Now that it is high season, I strongly recommend that all members make Dinner reservations, **as far in advance as possible, or at a minimum of 24 to 48 hours in advance.** We will gratefully accept last minute reservations with time and space availability being considered.

I would like to take this opportunity to invite our current members to our annual Meeting on March 21st at 6pm. This is an opportunity to meet your newly appointed officers, here the status of the club & have a brief overview of the past year.

Immediately following our annual meeting there will be a member appreciation party. This will be a members only event.

Construction progress is continuing as we finish up the underground work, and move into some block work and Building forms for the main level.

Sincerely,

Vinnie
