

IFC ShortCast

Dear Members,

Well it's that time of year again when we say our
"See you in November's"

The staff and I would like to say to all of those returning
to their summer destinations;

"Thank you for your support this season We thoroughly
enjoyed seeing and serving all of you, and look forward
to your return."

Construction on our new home is moving at a fast pace,
(see attached photos) and as we move into the heart of
summer we will see a lot more progress which is when
we will see the 3rd level and the roof completed.
Chris & his crew are doing a great job.

As we move forward with construction, it is of the
utmost importance that those members who were
granted the option of paying their assessment
quarterly to get those pass due payments up to date.
Our construction draw schedule has not changed and
your continued support is appreciated.

If you have a friend or neighbor who you think maybe
interested in membership, bring them in for dinner or a
cocktail. Remember, you as a current members are our
greatest asset to attract future members.

Sincerely
Vinnie
