

ISLAMORADA  
FISHING CLUB EST. 1950

## June 2024

### Updates and Events

Dear Members,

Well, the summer months are here, and The Tournament season has kicked off.

This is the time of year when bonefish, tarpon, and dolphin fishing are at their best.

I want to take a moment to thank all of our members for their support during what was a unique transitional season for the club this year.

We hope to have a busy summer this year and, as always, would encourage all members to visit our temporary location.

Construction is coming along and we should be Pouring the concrete for the third floor the second week of this month.

Our goal is to have it dried in on or about September.

- Vinnie

# Presidential Update

Dear Members,

The construction of the new building is moving forward at a quick pace. As I write this to you, we are very close to pouring the third level floor. The views from the third level are stunning and should provide for some beautiful sunset toasts. Now is certainly the time to encourage your friends and neighbors to join while we still have openings for new members.

To ensure that we maintain levels of service and our exclusivity as a club, the Board has recently added an additional section to our guest policy. A copy of the policy is included in this newsletter and can be made available to any member in good standing at their request. Any member who has a question or concern regarding the guest policy can address those to the Board of Directors.

Remember, we are still looking for some members who would like to leave a legacy in the form of naming rights for various sections of the new building. We will have a formal brochure on this going out to the entire membership. I encourage you to please get in contact with Vinnie, myself, or a Board member to discuss your interest and we will schedule a meeting to discuss the available opportunities.

Sincerely,  
Joe Roth, President  
Board of Directors

## **IFC Updated Guest Policy**

**Effective April 18, 2024.**

**Any former member who chose not to participate in the building assessment will be allowed as a guest a total of 4 times per calendar year**

only with a current member in good standing.

The member in good standing must be present and pay all charges when bringing in the guest.
