

IFC ShortCast

Dear Members,

Well it's that time of year again when we say our
"See you in November's"

The staff and I would like to say to all of those returning to their
summer destinations;

"Thank you for your support this season We thoroughly enjoyed
seeing and serving all of you, and look forward to your return."

The Latest Construction news is exciting, as we have passed all
our rough-in inspections for mechanical, electric, plumbing
and fire. We had the kitchen exhaust hood and all the duct
work installed and the A/C units have been put in their location
on the roof. Most of the backer board is installed and next is the
drywall and tongue & groove ceiling. Our Kitchen equipment is
arriving to our designer's warehouse daily and FKEC is laying
the piping across Madeira Rd for the electric

Next time your at the club please introduce yourself and
welcome our new manager Ed Flood. It is pleasure to have him.

Also Joining our team is Stephen. Stephen will serve in an "all
around " "What ever needs to be done" Position.

If you have a friend or neighbor who you think maybe
interested in membership, have them give me a call or bring
them in for dinner or a cocktail. Remember, you as current
members are our greatest asset to attract future members.

Please keep in mind as we get closer to moving day the cost to
join will most certainly increase and now would be the best
time for them to come aboard.

Sincerely

Vinnie
