

IFC SHORT CAST

Dear Members,

The time has come to say goodbye to our temporary club & get ready for the move. It hardly seems that we have been in this location for 2 years

We have a lot of work ahead of us and will need this extra time to get ready for

“NEW BEGINNINGS”

The Kitchen & Bar equipment have been delivered and are in place & ready for mechanical connections. The bathrooms are also ready for fixtures as well. The elevators are being installed, some of the louvres on the outside, stairwell & deck finishes, everything is coming together very quickly.

“IT IS SPECTACULAR”

Please inform me when you get a new credit card whether it was lost or it has a new expiration date.

Dear Members,

It's hard to believe how far we have come in the last year with the construction of our soon to be new home.

With that being said, it has been 2 full years that the board suspended the food & beverage minimums to incentivize the membership to contribute to our construction project, and we wanted to give sufficient notice that effective October 1st 2025 all food & beverage minimums will be re-instated.

What does this mean for you? If your membership dues are renewed November 1st, you will be automatically billed for any unspent minimums from “your” prior membership year. As in the past, your minimums are equal to your dues and you have 1 full year (your membership Year) to meet your minimums, this is not a monthly requirement.

The next page in this short-cast has a sample statement.

In the bottom left corner you will see;

- ♦ **Minimum Billing Period Nov1/24—Oct 31/25** This represents “your” membership year when your dues automatically renew & reset your minimums
- ♦ **Unspent Minimum 297.95** This is what you have left to spend on food & beverage only before the end of your membership year.

In this example GM Vincent must spend \$297.95 on food & beverage only, by October 31st 2025 **or that amount will be automatically charged** on November 1st 2025 billing cycle.

- ♦ **Please keep in mind that this amount is for Food & Beverage only. Tax, service/ gratuity or merchandise do not count towards your Food & Beverage minimums.**

If you have any questions please give me a call.

Dear Members,

On August 16th we will have our last dinner service, after nearly 2 years of anticipation and careful planning, we're thrilled to announce the grand transition into our beautiful new clubhouse. This milestone marks a fresh chapter in our club's 75 year journey, and we're so grateful to have you alongside us as we step into the future.

I hope that you were all satisfied with our choice of the facility that allowed us to stay operational for these past 2 years. I am especially grateful to all those members who supported us and although most of you enjoyed this location, I know you will be significantly happier when we move to our brand new permanent clubhouse.

As you can imagine there are a lot of moving parts to navigate with the transition. In the beginning there may be some time between my communications, but know that the wheels are constantly moving and we will keep everyone updated as much as possible with our progress. .

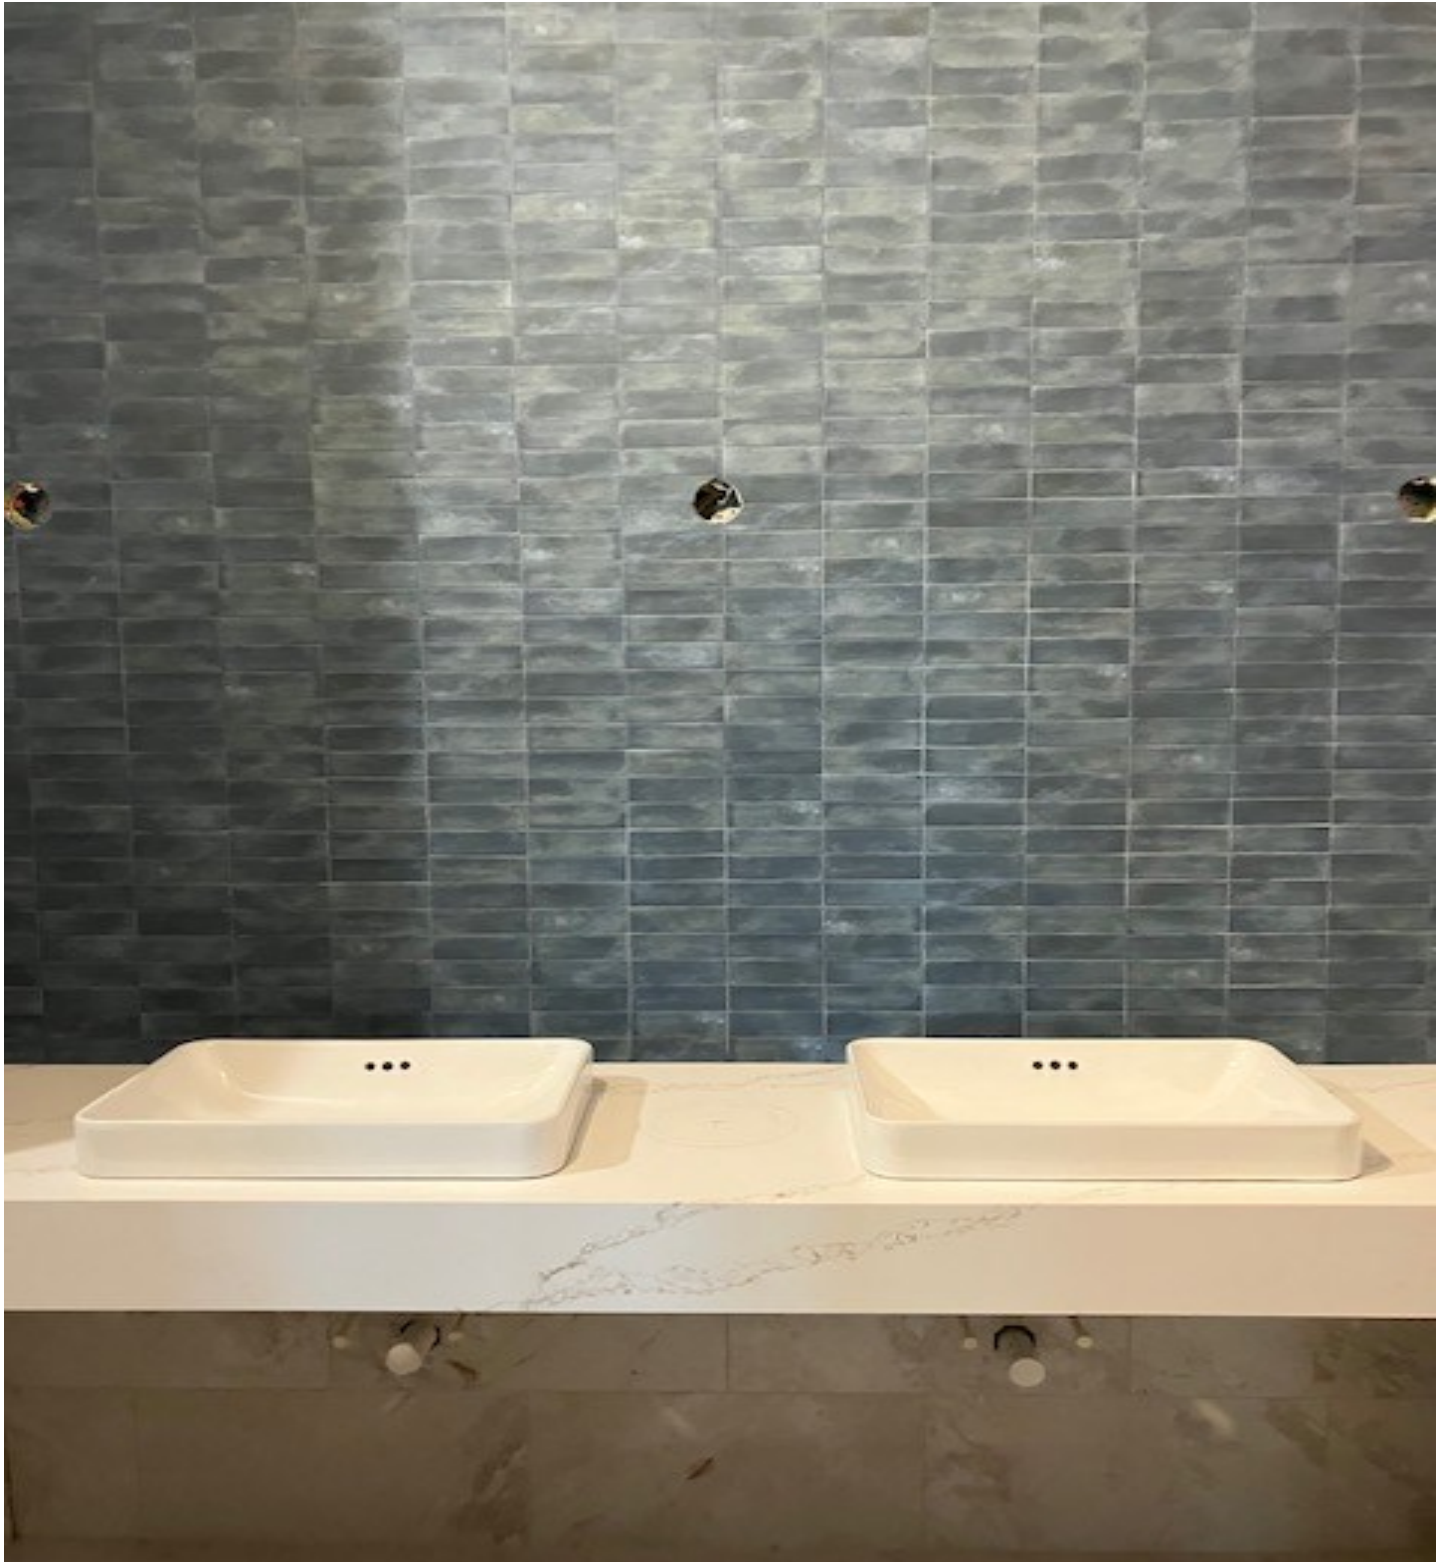

Please be patient, as you have been since the beginning of this project & visualize the finished product. My team and I will be giving everything we have to get us into the new club with as few hiccups or delays as possible. Our goal is to make everything go as smooth & seamless as possible so that all will be satisfied with the end results. We hope you'll enjoy, and make unforgettable memories in this wonderful new home.

As we prepare to open the doors to our new clubhouse, I wanted to take a moment to reflect on the incredible journey that brought us here and continues to shape our legacy, from sun-soaked afternoons on the water fishing to decades of shared laughter, milestones, and memories, your stories have made our club what it is today. This new space isn't just a building—it's a home built for you, inspired by our unique history and the people who bring it to life. Thank you for being part of our story. We can't wait to welcome you through the doors and continue creating-lasting memories—together.

Sincerely,

Vinnie
